**PRESENTA IL PROGETTO eTWINNING**

**A.S. 2021-2022**

# IL PROGETTO HA COINVOLTO LE SEZIONI DELLE SCUOLE DELL'INFANZIA DI 10 PAESI: LETTONIA, ESTONIA, LITUANIA, POLONIA, SLOVENIA, CROAZIA, BULGARIA, GRECIA, SPAGNA E ITALIA.

**Il percorso didattico è stato caratterizzato dall'espletamento di esperienze finalizzate a mettere in contatto gli alunni con scolaresche di altri paesi, a conoscere la propria cultura e le proprie tradizioni, confrontandole con quelle delle altre scuole, e a imparare a rispettare anche altre culture, tradizioni e lingue, valorizzando le loro differenze e svolgendo attività di collaborazione adeguate alla loro età. Lo scambio di esperienze, tra i docenti, ha determinato la condivisione di materiali e di metodi didattici.**

**Gli alunni, nello specifico, hanno conosciuto altri paesi e culture in modo giocoso attraverso attività interattive, immagini e video. La condivisione è avvenuta tramite lo scambio di immagini, video, reports multimediali, pubblicati nelle relative pagine del Twin Space, suddivise per argomenti e per fasi di svolgimento.**

Di seguito, alcune immagini delle scolaresche partners del progetto, frequentanti tutte il segmento della scuola dell'infanzia.

Our children's favorite character is KAKĖ MAKĖ. She is a fun girl who likes to be herself, which is reflected in her appearance. She doesn't resemble a barbie or a princess. The character is simply similar to many children, only distinguished by checkered trousers, which, incidentally, the author herself wore as a child. The truth is that we are all a bit like Kakė Makė.
